Re: Haider, Karimul; Case No. 19-46289; Subchapter V Trustee Status Report

Dear Judge Lord:

This brief Status Report is an update to the court since the most recent hearing on the Subject matter (12/14/20). During this hearing the court set a schedule for the filing of a revised plan on December 28, 2020. The revised plan was not filed on December 28, 2020. This revised plan was intended to replace the original plan that was filed on November 12, 2020 (DI 71), which was both incomprehensible and included non-existent creditors of the Debtor. Further, on November, 7, 2020 (DI 70), the court entered an Order approving the interim fees of the Subchapter V Trustee. The Debtor has not made any payments to the Subchapter V Trustee, despite the Subchapter V Trustee offering the Debtor a payment plan arrangement. Lastly, the Debtor has not filed monthly operating reports for September, October and November, 2020.

The Subject case started as a Chapter 13 matter. On June 8, 2020 this case converted to a Chapter 11/Subchapter V case. During the current case, the Debtor has exhibited conduct that has been less than transparent. This behavior has included a failure to disclose bank accounts and related transactions as well as the existence of previously owned unencumbered real estate of the Debtor's spouse. These issues are of concern to the Subchapter V Trustee, in addition to the instant non-compliance with standing Orders of the court.

The Subchapter V Trustee respectfully requests that the court consider either converting this case to a Chapter 7 liquidation or, in the alternative, expanding the role of the Subchapter V Trustee to properly administer this case.

Thank you for your consideration to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Eric Huebscher'.
